

Celebrating our local government successes

We have elected our largest Green Local Government Caucus yet. With 49 campaigns across the country, we ran our biggest local government field campaign ever. We acknowledge the tremendous effort of the teams who didn't get the outcome they were looking for, and wish good luck to the 28 Green candidates elected to community boards, and city and regional councils.

Some stats:

Nandor Tanczos

1st

Green Mayor of Whakatane

New Green Voices

9x

First-time candidates elected

Strong Returning Support

80%

Of Green incumbents re-elected

Nationwide Engagement

52,000+

Voters reached during the campaign

But our work is just beginning. As our members of local government begin their induction, we will be working tirelessly to put in place plans to progress Green action at the grassroots. We must take every opportunity to show the Government that Aotearoa cares about taking bold climate action, protecting nature, and ensuring everyone has enough to live a decent life.
